Randy Bernhardt Recertified as a Certified Fund Raising Executive

Alexandria, Va., (November 24, 2021) – CFRE International is proud to announce Randy Bernhardt has recertified as a Certified Fund Raising Executive (CFRE). Bernhardt, President of Bernhardt Consulting Co., joins more than 7,200 professionals around the world who hold the CFRE designation. He has held the CFRE credential since 2000.

Individuals granted the CFRE credential have met a series of standards set by CFRE International which include tenure in the profession, education, and demonstrated fundraising achievement. They have also passed a rigorous written examination testing the knowledge, skills, and abilities required of a fundraising executive, and have agreed to uphold Accountability Standards and the Donor Bill of Rights.

“The CFRE credential was created to identify for the public and employers those individuals who possess the knowledge, skills, and commitment to perform fundraising duties in an effective and ethical manner,” said CFRE International President and CEO Eva E. Aldrich, Ph.D. “As the certification is a voluntary achievement, the CFRE certification demonstrates a high level of commitment on the part of Randy Bernhardt to the fundraising profession and the donors who are served.”

CFRE recipients are awarded certification for a three-year period. To maintain certification status, recipients of the CFRE must demonstrate on-going fundraising employment and fundraising results and continue with their professional education. Employers and donors who work with CFREs know they are getting a professional who is committed to the best outcomes for their organization and has the requisite knowledge and skills.
